### Editor's Corner

If you would like to contribute to the newsletter please send your information to Joe Doucet:

[jadoucet@snet.net](mailto:jadoucet@snet.net)

We will publish any ideas related to the club, sailing, boat maintenance, items for sale, etc. This is your club and with the possible exception of the racing stewards, we have no employees who are paid to suggest improvements to the club.

## Ships Log from Page 1

We will have some light refreshments.

I hope that you will be able to attend this kick-off event and be onboard as we kick-off what promises to be another great year of friendship, fun, and above all, SAILING!

Looking forward to April- one of the most important way points on our 2010 journey, our work parties and boat launching events. The successes of these activities are critical to a great launching of the season and all events to follow. So, we look forward to all hands on deck as we plan our boat launchings, work parties, grounds and garden clean-ups and getting ready the facilities for the warm weather and fair winds ahead.

Sail Fast, Sail Straight!

Don

## Help Wanted From The Properties Committee

We need several volunteers to take on the projects of:

- Re-staining the docks
- Painting the club house

The goal is to get several key people to do the tasks during a work party, and to focus on those projects specifically while others tend to the opening of the club. Ebb and I will arrange for the materials and supplies needed.

Future projects that need a volunteer crew:

- Replacing the split rail fence
